

SHREYA SINHA

DATA SCIENCE ENTHUSIAST.

+91-7488747673  shreyasinha460@gmail.com  Shreya-sinha

Passionate Third-year student at RV University, eager for internship to apply theoretical knowledge and practical skills. Dedicated to gaining hands-on experience, contributing to real-world projects, and refining expertise in Data Science and Machine Learning.

EDUCATION

R V University : CGPA 9.21

BSc - Data Science and Machine learning.

Bangalore, India

2022-2026

SKILLS

Python, Machine learning, SQL-MYSQL, ionic react , Deep learning , HTML, CSS

Soft Skills - Problem solving, Communication

EXPERIENCE

FrontEnd Web Development Intern

- Various Tasks such as Personal Portfolio, Netflix homepage clone, Temperature Converter.
- Enhanced Skills such as HTML, CSS

Bharat Intern

Jul 2023- Aug 2023

Data Science Job Simulation Forage

- Completed a simulation focusing on how data science is a critical component of British Airways success.
- Built a predictive model to understand factors that influence buying behaviour

British Airways

Jan 2024- Jan 2024

Winter Internship

Research Paper Writing

- Published a research paper on the topic - Proactive Heart Health: Leveraging Machine Learning for Predictive Analysis through Continuous Lifestyle Monitoring with Wearable Devices

RV University

Jan 2024

PROJECTS

- Engineered a cutting-edge Book Recommendation System using Python and machine learning algorithms.
- Developed replicas of popular platforms like Netflix and ixigo, showcasing frontend process with Ionic React Capacitor.
- **ASL - Sign Language:**
 - Description: Developed a machine learning model to predict sign languages.
 - Technologies Used: Python, scikit-learn, Pandas, NumPy, Jupyter Notebook.
- **Emotion Detection Using Deep Learning and Computer Vision:**
 - Description: Developed a deep learning model to detect Emotion of a person.
 - Technologies Used: Python, TensorFlow, Keras, OpenCV, Pandas, NumPy, Jupyter Notebook

CERTIFICATES

Data Science Job Simulation - Forage
Introduction to Machine Learning with Python - Microsoft
Python for Beginners - Microsoft
Web Development for Beginners - Microsoft
Python Certification - Kaggle
Github Copilot Fundamentals - Microsoft
Computer Vision- Kaggle
Intro to deep learning- Kaggle
